

WORK VOLUNTEER IN ECUADOR

Options for Volunteering Work with in Quito, Ecuador and the Galapagos Islands.
CHILDREN and CONSERVATION PROGRAMS

CHILDREN PROGRAM

Option 1

DAY CARE and FOLLOW INFANTILE PROGRAM

Children from 1 to 3 years old, South of Quito

WORK HERE INCLUDES:

Receipt children every morning at 8:30am at the door of the Center.

Help the Teachers to feeding the Children every day at 10am during the break and also at 12:30 in the lunch time. Change clothes to children and clean them every time they need. Help Teachers to make the children sleep after lunch.

Finish work at 1pm.

Note: Bringing small gifts to give them directly in their hands at the end of your service would be great.

Option 2

WORK WITH CHILDREN and MAINTENANCE of the little School/ Center

This can be done during the mornings split out into two groups:

1 group of 5/7 will be working with Children and 1 group of 5/7 will go to maintain the Center by cleaning, painting or coloring it. Groups can rotate every day to experience doing both activities.

WORK HERE INCLUDES:

Group 1. The first group will receive the children every morning in the entrance of the school. They will help to feed the children every day at the first break and also at the lunch time. Once that, you can help making educational materials for children's learning with colorful materials. Children will need your help to go to bed and sleep until 2pm.

Be always ready to do recreational activities, interact and play games with Children.

Group 2. The other part of the group can help to draw the walls in light colors, paint them totally and finally make the Center look more beautiful by planting in pots or a nursery. Others, volunteers can collect the rubbish out and brush the patio. You can use old tires to give colors and then use them to plant beautiful flowers.

If you can bring second hand toys, colors, educational games, infantile materials, second hand clothes or just a small gift to give them directly. Would be great.

Group 1

Group 2

Option 3

ORPAHAGE PROGRAM

Children from 6 to 17 years old – Private Orphanage ONG. – North of Quito.

Do both: Help children with disabilities in their personal requirements or, help children with no parents – Street Children- to carry out their daily academic life and studies at this place. Assist them with the Center rules and company them full time during the break. Both, most of them need help with their academic activities.

These both groups of children are not poor people but need help with academic topics and physical therapy. Some of knowledge of physiotherapy will be needed to make them try mechanic movements for them to feel healthy. No need to an expert on it.

Option 4

TEACHING ENGLISH IN THE SUBURBS OF QUITO

Children from 6 to 14 years old – South of Quito – Private bus required.

This is not in a School or Center as we will program 40 to 60 children from a neighborhood to come for free English lessons. Lessons can be given in the mornings or afternoons in the social house of the location.

WORK HERE INCLUDES:

The volunteers will be: Teaching basics of English and make them to pronounce, help them to do their English homework every day for theirs School.

You do not need to be an expert in teaching but just make them to mechanize their English by doing written games, playing games or just repeating pronunciation together with the other students. Make their day by improving practical activities.

Option 5

TEACHING ENGLISH IN RURAL AREA OF QUITO

Children from 6 to 14 years old. This action will be located in the little school of the community of Yunguilla located at 1 hour away from the city of Quito.

Here, we must follow the program of the local school together with the Ecuadorian Principal English Teacher.

WORK HERE INCLUDES:

Teach Basics of English based on the school program and schedule. You can do this in different grades in one day.

Work together with the principal female English Teacher of the School. Help her also with pronunciation of the kids, vocabulary and challenge yourself by making them lose their shyness when speaking in English. You can use all educational materials provided by the school but include yours in case you brought from your country.

Emphasis the pronunciation of each single student with basic English and vocabulary. They know a lot of English but pronunciation always need a hand.

Use the breaks in the School to know each other and interact with other Children, Teachers by playing games all together.

It would be great if you help also to the Teachers at the School to improve their English, Grammar and pronunciations in order they can do their job better. That would be very useful for them and for the School and Children.

CONSERVATION PROGRAM IN QUITO

Visit the Community of Yunguilla at 1 hour far from Quito. Stay in local host families or in a community house and work with them in their daily activities.

WORK HERE INCLUDES:

Maintenance of paths that lead to each place of the protected area, eliminate introduced plants, do agricultural work in family farms for the cultivation of products for daily use such as cabbage, lettuce, potatoes, onion and more.

Another activity of the community is the processing and preparation of jams, handicrafts with raw materials from the sector, one is for use by the community itself and another part for sale in the City of Quito for incomes.

The creation, maintenance and protection of organic orchards is the star activity of the community because it is for daily consumption.

CONSERVATION PROGRAM IN GALAPAGOS

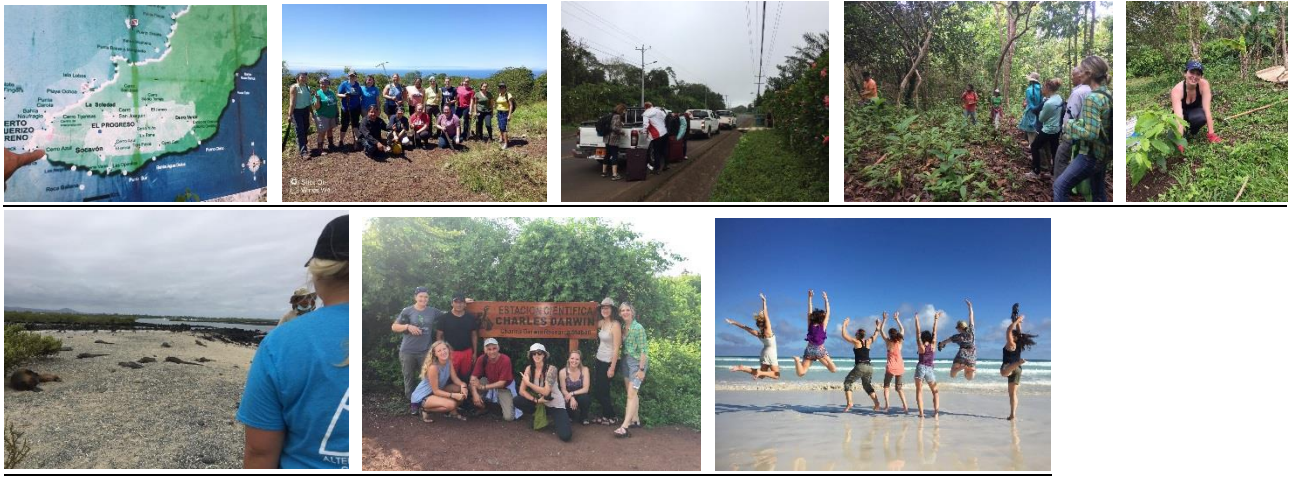

This project is located on San Cristobal Island.

Stay at a Lodge, community house or in host families. WiFi available.

WORK HERE INCLUDES:

Cleaning of beaches, cleaning of non-native plant species, marking nesting sites for iguanas, replanting of endemic plants, cleaning of farms and public spaces. Collection of seeds of endemic plants of the Islands to take them to the main nursery of the park. Coffee and Cacao tour is available.

Sometimes we will need to use transportation to go to work in other places near the lodge. The work here goes from 9am until 13:00 then after lunch, this is up to you to try again from 2:30pm until 5pm.
